

REALM™ - Kate Young

00:00.2 - 00:02.4

Connection is key to any real estate deal,

00:02.7 - 00:06.4

and this MLS system is filled with opportunities to stay connected with my

00:06.4 - 00:07.4

buyers and sellers.

00:07.9 - 00:10.9

It offers me seamless communication with the real time chat function,

00:11.1 - 00:14.8

allowing me to exchange listings, share documents, or have a conversation.

00:15.4 - 00:16.1

Best of all,

00:16.1 - 00:19.5

I can view my clients' search history and preferences no matter if they're

00:19.5 - 00:21.2

looking to buy, rent or lease.

00:22.0 - 00:24.8

Try this all in one MLS system to reimagine the market.
